

ThUL Autumn School 2015

28th September to 2nd October 2015
in Karlsruhe, Germany

The following topics will be covered:
Relativistic quantum chemistry of actinides
Theoretical description of interfaces
Spectroscopy for actinide research
Molecular dynamics in actinide research

Confirmed speakers:

Nick Chilton	Jörg Rothe
Atsushi Ikeda-Ohno	Trond Saue
Yves Joly	Valérie Vallet
Andy Kerridge	Tonya Vitova
Piotr Kowalski	Anna Weigand

The target audience are PhD students or post-docs
in actinide sciences.

To apply please write an email to
thul@hzdr.de
please include a letter of recommendation
from your supervisor.

Registration deadline 31.08.2015
